Judging through the bars

Novice/Juvenile Judges – At our last committee meeting a discussion took place on ways in which Junior exhibitors could be encouraged to start judging. Following a discussion it was agreed that this “notice” should put in the next newsletter –

“Judging through the Bars. Please would any Juniors wishing to enter this new facet of the show contact the Secretary/Treasurer in writing/by email (hatcher579@btinternet.com) by the end of October 2009. The suggested format is that you will be given a duplicate judging slip and will be requested to judge each bird through the bars, i.e. without taking the birds out of their cages, prior to the Judge carrying out his/her judging. Under no circumstances must you discuss your opinions with the judge.”

Should this prove successful we will open it to anyone of any age who wishes to partake. This will only take place at our Domestic Waterfowl Club Championship Show.
